

# CO POST APPROVED HG / RDS INSTRUCTOR COURSE

## *Course General Learning Goals*

The HG/RDS Integrated instructor program is a 44 hour POST approved program. Upon successful completion of the program, graduates will be authorized to instruct firearms training in POST approved academy's as well as conduction agency approved firearms training. Students will understand instructor-based use of force considerations, methodology and training liabilities.

Students will have the ability to develop training to successfully create transition, basic academy and in-service training while utilizing MRDS equipped handguns.

## **Prerequisite**

- CO POST currently requires that all students must qualify on the POST firearms qualification course on the first day of class with a 100% score (2 formal attempts)
- Students must use an authorized RDS equipped handgun, approved for duty use, throughout the program.

## **Course Outline**

*This course will address the following topics.*

- Firearms safety/Lead contamination
- POST Requirements
- Weapon Maintenance
- Basic Principles of Firing a LE Handgun
- Weapon Management
- Tactical Situation
- Decisional Shooting
- Dim Light Shooting
- Off Duty/Plain Clothes Requirements
