IPS presents Initial Response to Barricades. 17-year crisis negotiator John Woosnam provides public safety professionals with the knowledge and skills necessary for an initial responding officer to effectively contain, de-escalate, communicate, and transition to SWAT/Crisis Negotiators during a barricade incident. Topics include:

- Defining barricade situations
- The initial response
- The four Cs of a barricade
- Effective communication
- Active listening skills (ALS)
- Post incident responsibilities
